\*\*\*\*\*

I, \_\_\_\_\_, a member of Yellowstone Valley Electric Cooperative, Inc., am requesting a \$\_\_\_\_\_ Rebate for the installation of a Air Source Heat Pump in my building installed at the above address.

The following conditions and requirements are hereby agreed to by Yellowstone Valley Electric Cooperative and the above identified member.

1. **YELLOWSTONE VALLEY ELECTRIC SERVICE:** The Air Source Heat Pump must be installed on the premises owned by the above member and served by Yellowstone Valley Electric Cooperative, Inc.

2. **PROPER INSTALLATION:** It is the customer's responsibility to have the Heat Pump installed in compliance with the National Electrical Safety Codes by a qualified person and the customer holds Yellowstone Valley Electric Cooperative harmless from any and all liability arising from the installation and operation of the Heat Pump.

3. **PROOF OF INSTALLATION:** The customer grants Yellowstone Valley Electric Cooperative the right to enter into and upon the customer's premises, when the customer is present, for the purpose of verifying the installation and use of the Heat Pump. **Please include a copy of installers invoice with this form.**

Yellowstone Valley Electric Cooperative authorizes only one rebate per system and applies to retrofits and newly constructed buildings. Rebate payments will be paid after installation has been completed and approved. Rebates are calculated on a \$200.00 per ton basis (maximum of \$800.00).
