Dealer: _____ Make: _____ Ton: _____ X \$200.00 = Rebate Amt \$ _____

Building Style: _____ Building Sq Ft: _____ Date Installed: _____

I, _____, a member of Yellowstone Valley Electric Cooperative, Inc., am requesting a \$ _____ Rebate for the installation of a Ground Source Heat Pump in my new building installed at the above address.

The following conditions and requirements are hereby agreed to by Yellowstone Valley Electric Cooperative and the above identified member.

1. **YELLOWSTONE VALLEY ELECTRIC SERVICE:** The Ground Source Heat Pump must be in a building served by Yellowstone Valley Electric Cooperative, Inc.

2. **PROPER INSTALLATION:** It is the customer's responsibility to have the Heat Pump installed in compliance with the National Electrical Safety Codes by a qualified person and the customer holds Yellowstone Valley Electric Cooperative harmless from any and all liability arising from the installation and operation of the Heat Pump.

3. **PROOF OF INSTALLATION:** The customer grants Yellowstone Valley Electric Cooperative the right to enter into and upon the customer's premises, when the customer is present, for the purpose of verifying the installation and use of the Heat Pump. **Please include a copy of your installers invoice with this form.**

Yellowstone Valley Electric Cooperative authorizes only one rebate per system and applies only to newly constructed homes or commercial buildings. Rebate payments will be paid after installation has been completed and approved. Maximum rebate \$1000.00.
